

Elton Old Hall c1668 – 2012 Access Statement

Introduction

Elton Old Hall is a self-catering holiday house c1668 situated five miles from the market town of Bakewell and offers six double bedrooms with 4 bathrooms and two cloakrooms. The Hall dates back to the 17th century and whilst we aim to meet the needs of our guests there are a few steps on the ground floor which may make access difficult for people with limited mobility. As you enter the Hall through the main entrance there is a cloakroom on the right and two steps down to the kitchen with utility room off. There are two steps up to the back of the hallway leading to the main sitting room and ground floor twin bedroom (double on request). There is one step up to the south facing conservatory. The floors are flag stone.

The other 5 bedrooms are located on the first and second floors. The carpeted first floor is accessed via the main staircase to the king size bedroom suite with en-suite bathroom and shower over bath. Three steps lead up to the main bathroom with bath and walk in shower (raised tray). Three steps lead to back of the Hall where there is a king size bedroom suite with en-suite bathroom and shower over and a further bedroom with 2 single beds (double on request). The wooden second floor is accessed via the main staircase. There is a cloakroom with toilet and a large bedroom with up to 4 single beds (double on request). The sixth bedroom has a double bed (twin on request) and en-suite bathroom with walk in shower (ground level tray).

There are two sets of French double doors leading out into the south facing, rear walled garden. There are 3 steps up to the lawn. There are 2 steps up to the barked play area. There are 6 steps up to the seat which sits beneath two old yew trees and gives a view over Robin Hood's Stride.

My mum is disabled (difficulty walking) and has been able to manage stays of several weeks in Elton Old Hall particularly as there is the downstairs cloakroom and the first bedroom suite is at the top of the first flight of stairs and is en suite.

We have also raised infants in Elton Old Hall. Families with children of all ages are welcome. Please feel free to ask Juliet any questions you may have about accessibility and we will do our best to help.
